SENT CERTIFIED MAIL—RETURN RECEIPT REQUESTED

July 18, 2016

Mr. David Yanofsky
Quartz

Dear Mr. Yanofsky:

This letter serves as notice of a proactive disclosure by the International Trade Administration (ITA). This letter and the accompanying documents are not a response to any Freedom of Information Act request or appeal, but an independent, proactive disclosure by ITA.

It appears that you are interested in the sale of the I-92 and I-94 data files by the National Travel and Tourism Office (NTTO). After a thorough search of information regarding the sale of these data files by NTTO, we have decided to release to you all invoices we currently possess that document the sale of these data files. Please find a copy of these invoices enclosed.

NTTO does not save copies of older order forms and invoices; these records are only maintained until they are no longer needed for official NTTO business and do not constitute permanent records. In addition, many of the older order forms were stored in an electronic system, Lotus 123, that has been retired and NTTO no longer has access to those files.

Please note that ITA is not required to proactively release this information and ITA may or may not release this type of information in the future. Should you have any questions regarding this letter, you may contact me at (202) 482-7937 or at justin.guz@trade.gov.

Sincerely,

Justin Guz
Freedom of Information Act Officer
International Trade Administration
